

IMPAQ International, LLC
Vice President, International Development

Location	City, State Zip	Post Date	Salary Range	Reports to
Headquarters Washington, DC	Columbia, MD 21044 Washington, DC 20005	Current	Negotiable	President

Overview

IMPAQ International is a woman-owned growing dynamic social research organization providing high-quality research and impact evaluation services, policy analysis and technical assistance for U.S. and international government agencies. IMPAQ specializes in designing and implementing research projects to evaluate the effectiveness and cost/benefit of social programs. IMPAQ offers two corporate locations: one in downtown Washington, DC, and another in Columbia, MD which was recently named #2 on [Money magazine's list](#) of America's Best Small Cities!

Job Profile

IMPAQ is seeking an entrepreneurial, highly motivated Researcher/Manager to provide strategic leadership and expansion of IMPAQ's international development work. The successful candidate will report to the President and work with research staff and contract administrators to identify business opportunities and prepare proposals. The successful candidate will also meet with potential partners or clients and be primarily responsible for positioning the firm for growth in the international research arena. The successful candidate will also play a key role in directing ongoing research and technical assistance projects.

Qualifications

Education

- Master's degree (Ph.D. preferred) in relevant research or policy field.

Knowledge and Experience

- Minimum 10 years professional experience.

Skills

- Ability to handle multiple priorities in a fast-paced environment;
- Flexible, team-oriented attitude;
- Strong organizational skills.

Benefit Notes

IMPAQ offers a highly competitive benefit package including 401K savings and profit sharing plans; medical and dental health plans, holiday and sick leave benefits, life and disability insurance. IMPAQ offers a collegial work environment and is an Equal Opportunity Employer.

Application

For consideration, please email your cover letter and resume to app1yon1ine09@impagint.com with "VP_International_Development" in the subject of the email.
